Materials & Combinations

Every SYMATTI system is composed from a living library of materials — veneer, panel, leather, fabric, metal, stone and glass — joined by craft. This catalogue presents each family as photographed in our showroom, followed by the combinations they make possible.

01

Veneer

Natural wood skin, selected for grain and tone — the base note of every composition.

Fluted Walnut Veneer

Deep-grain walnut, fluted by hand for rhythm and shadow.

Natural Oak Veneer

Light oak with a calm, vertical grain — the quiet base note.

02

Panel

Engineered panels with matte, soft-touch and micro-textured finishes.

Soft-touch Panel — Sand

Warm sand panel with a matte, fingerprint-resistant finish.

Fine-texture Panel

Micro-textured surface that reads like woven paper.

Panel Surface Macro

A closer look at the fine-grain panel finish.

03

Leather

Full-grain, saddle and hand-woven leathers that deepen with age.

Leather Frame Door — Ivory

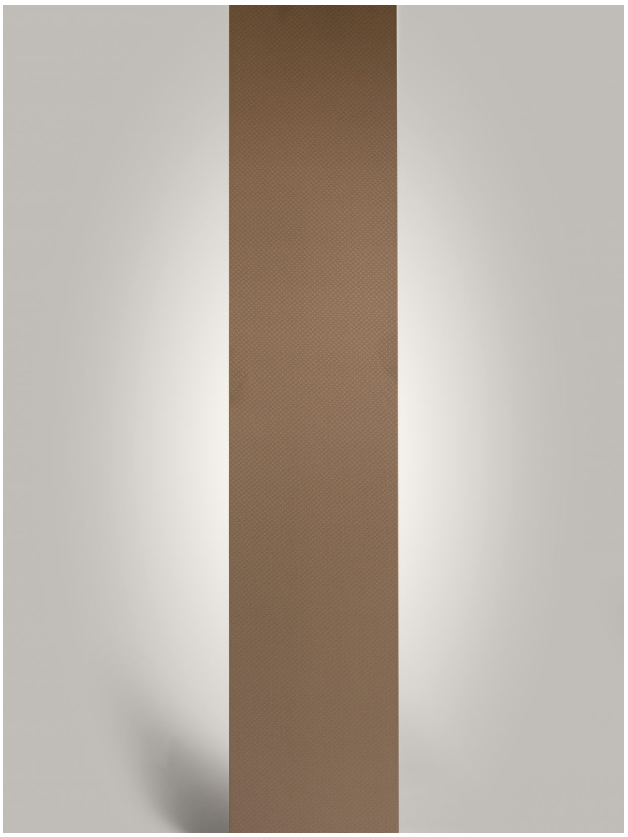
Ivory leather panels in a stitched frame — soft to the touch.

Saddle Leather Panel

Cognac saddle leather that deepens with age.

Leather Grain Macro

Full-grain surface, natural markings preserved.



Woven Leather — Saddle

Hand-woven leather strips for doors and drawer fronts.

Woven Leather — Deep Brown

A darker weave for wardrobes and bar fronts.

04

Fabric

Woven panels in flax, oat and ecru — warmth you can feel under natural light.

Woven Fabric Panel — Flax

Flax-toned woven panel, warm under natural light.

Fabric Panel — Oat

A softer oat weave for wardrobe and wall panels.

Fabric Panel — Ecru

Ecru fabric with a fine, even texture.

Fabric Weave Macro

The weave up close — structure you can feel.

05

Metal

Bronze-toned woven metal and brushed finishes for edges, caps and accents.

Bronze Mesh Panel

Bronze-toned metal thread panel, subtle shimmer.

Metal Thread Macro

Woven metal filaments catching the light.

06

Stone

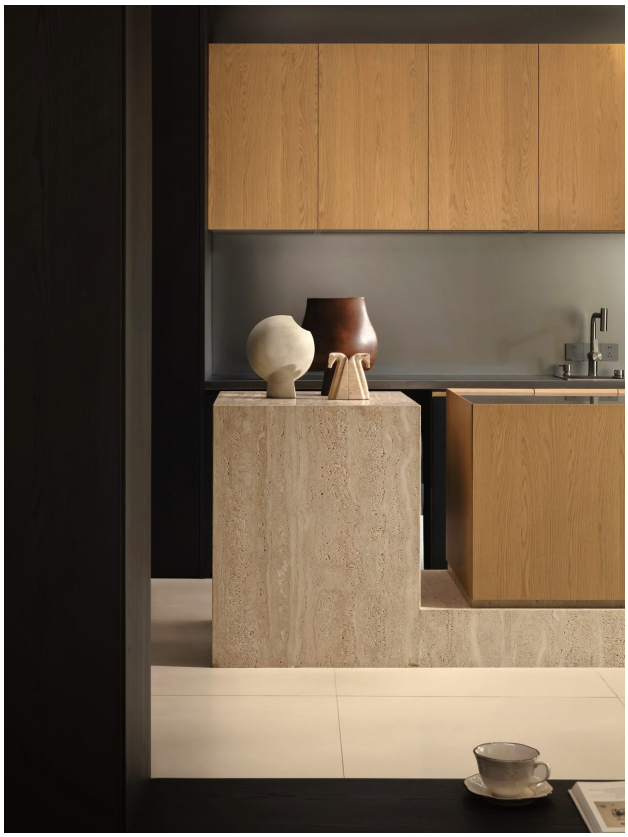
Marble, granite and travertine — honed, unfilled, honest.

Calacatta Marble

Bold grey veining on white — for islands and backsplashes.

Nero Granite

Near-black stone with mineral sparkle, honed finish.



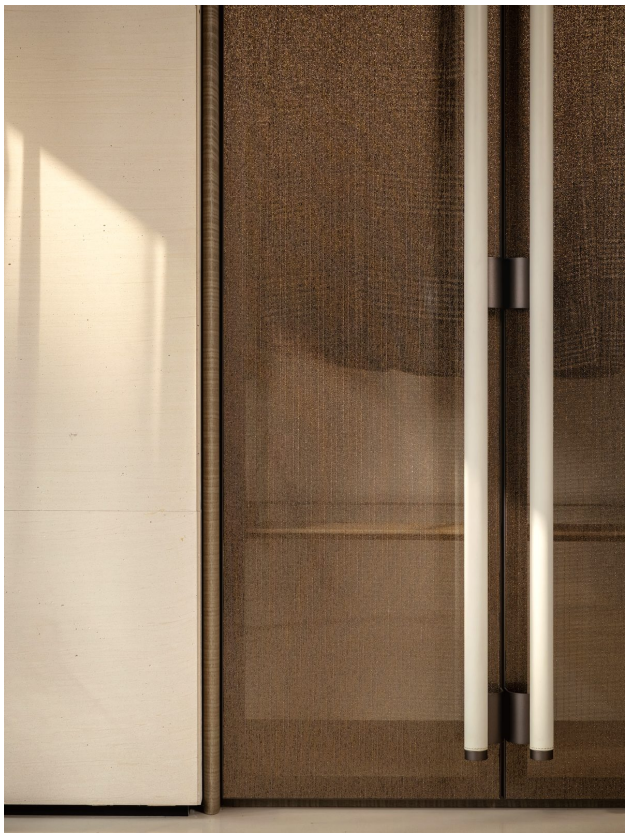
Travertine — Romano

Classic Roman travertine, unfilled and honed.

07

Glass

Mesh-laminated glass — translucent, private, quietly textured.



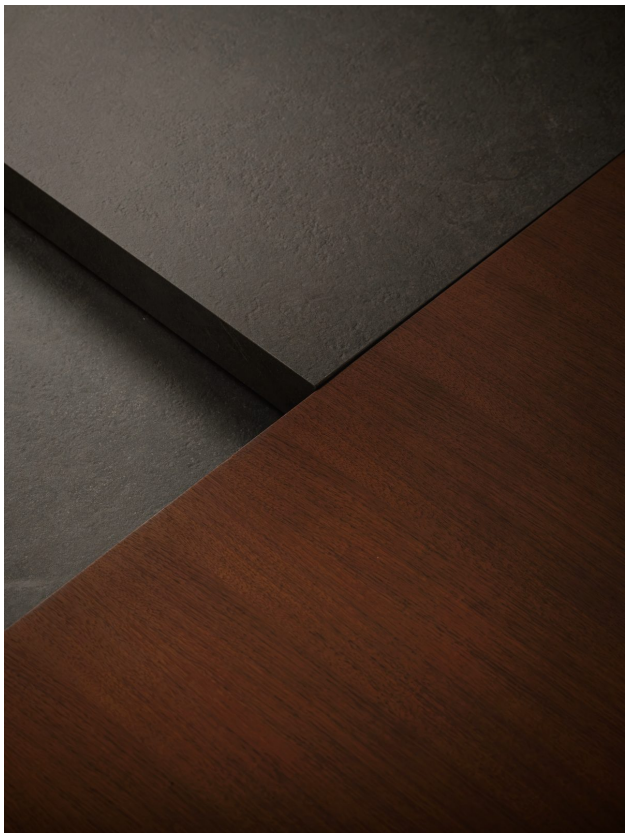
Mesh-laminated Glass

Fabric mesh laminated in glass — translucent, private.

08

Combinations

Where the library comes alive: signature pairings from the showroom floor.



Walnut × Nero Stone

Fluted walnut against black stone — our signature contrast.

Fabric × Leather × Bronze

Woven doors, stitched leather handles, bronze caps.

Walnut × Marble × Steel

The kitchen trio: warm wood, veined stone, cool metal.
